

<Before using>

The unit of measurement is in millimeters.

Please make sure the setting are in millimeters not inches.

<File name>

CAD files are named according to the following rule.

[product name]_[file version]_[extension].zip

Ex) If the product name is AJ65SBTB1-8D, the file version A, and the data format is IGES,
the file name will be aj65sbtb1-8d_a_igs.zip. When unzipped, it will be aj65sbtb1-8d_a.igs.

<File format>

The following formats are available to download.

If the data downloaded can not be opened, please try downloading another format.

CAD format	
2D	DXF
3D	IGES
	STEP

<CAD models>

Chamfering, corners, omission inclines, threads, screw heads and etc. have been simplified to decrease file capacity.

CAD data are to be used only for design examination.

CAD data are subject to change without notice.

CAD data do not guarantee the specifications of our products.

Any damage that occurred by using the CAD data will be out of our compensation.

<Model list>

Please decompress files before using.

If you cannot, please download free software to meet your needs.

Check the list in order to know which CAD file to open.

For each model listed, there is a corresponding CAD file.

There is only one file for those of the same appearance.

The same file will be downloaded for these models.

The list is subject to change without notice.

Ex) Models AJ65SBTB1-8T and AJ65SBTB1-8D are same in appearance.

File aj65sbtb1-8d will apply for both models.
